FIRST P. T. A. MEETING HELD

The first meeting of the Parent teacher's Association, was held Friday, Sept. 20th, with Mrs. Bitterling, president, Miss Burt secretary, and Mrs. Cowden, treasurer.

Mr. Davies spoke of the tennis court which was started last term. The court has been leveled and the post holes dug preparatory to completion. The P.T.A. will finance the project and the students will do the greater part of the labor.

Under the new business it was decided that the P.T.A. purchase material for curtains for the lunch room. The Domestic Art class will make them.

The members of the faculty were introduced by Mr. Davies.

Miss Darneille stated that the little folks will start on their circus soon.

Miss Aitken told of the contest in her room in which each pupil must eat hot cereal every morning.

Mr. Haan intends to aid the school athletics this year.

Miss Burt, explained the intentions of the Domestic Art class and asked the Mothers to encourage their daughters in this work.

Miss Miller announced the publication of the Eagle's Quill by the English III class. She expects soon to organize a Glee Club.

SUBSCRIPTION CONTEST

The subscriptions for the Eagle's Quill are increasing rapidly. It is still doubtful which room will get the prize to be given by the English III class.

At present Mr. Haan's room and Miss Aitken's room are tied with nine each. Miss Darneille room has eight. Since the number of pupils in these rooms are not even the award will be given on a percentage basis.

CARROT GROWS UPSIDE DOWN

The Botany class is watching with great interest the development of a carrot which hangs in a window in the Science Lab.

The root end of the carrot was first cut off and the inside taken out, leaving a hollow shell with the top for the bottom. This carrot is kept full of water and sprouts are growing from the tip top end which is now the bottom.

FOUR H CLUB WORK STARTED IN THE LOWER GRADES

The boys and girls of the 4th, 5th and 6th grades supervised by Miss Aitken are starting their first club work. The boys are starting carpentry. They sent off to Ashland for their patterns. The girls will start sewing, luncheon sets.

THANKS

The staff of the Eagle's Quill edited by the English III Class, wish to express their appreciation of the work and interest that the students and parents have taken. We hope you will find each edition a great help. We Thank You. P. H.

WHO'S WHO

Dorothy Eleanor Wilkitt was born at Beagle, Oregon, on Sept. 18, 1912. At the present time she is living in Eagle Point where she is attending High School. She has attended the Beagle, Sams Valley, Lost Creek and Eagle Point Schools.

Dorothy's favorite study is typing, which she is taking together with U. S. History, English III, Botany and Domestic Art.

From all the amusements available, Dorothy chooses the talking movies as her favorite. Up to the present time Dorothy's most interesting experience is her first boat ride on Crater Lake, but after leaving school she plans to fly an aeroplane. Perhaps she will find the air more interesting still.

CORRECTION

We are proud to announce the gain in attendance in High School, more than that stated in last week's paper. The gain is 53% instead of 12%.

BROWNSBORO BITS

The Brownsboro Grade School opened Monday, Sept. 16, with a full attendance list. The classes range from the first to the eighth grades with at least one representative for each class.

Mrs. Cecil Poole who replaced Mr. George Henry of last year is very well liked by the students and they look forward to a pleasant year under his guidance.

If some of the eighth grade members pass at the mid-year, and Mr. Poole believes they are capable of doing so, our attendance at Maple Point High School should be increased by several members.

CRATER LAKE

The heavens declare the glory of God

And the firmament sheweth his skill.

The mount was laid low by the power of his rod

And hell came to shatter and fill.

Oh, the awful catastrophe wreaked by the hand

Of the Infinite here in his wrath!

While the wounded earth bled melted lava and sand

And destruction was seen in his path.

But his grace has prevailed and his mercy returned

And the cool healing waters were poured,

And the earth that was wounded and shattered and burned

Now is healed by the power of his blood.

See the union of Heaven and earth are revealed!

See the sky bending low over the rim!

See the scarred earth, all cleansed and her wounds are all healed. And Earth is redeemed from her sin. H. C. Campbell

EAGLE'S SQUAWK

PERSONALS

Mary-(after going past a pop corn stand) "Gee! that pop corn smelled good."

Kirch- "Yeah, lets go past again and get another smell."

James- "Boy, you ought to see my radio. Last night I got Mexico."

Donald Young- "That's nothing, I just opened the window and got Chili."

There was a missionary who went to Africa to preach to the natives. One day as he was traveling along, he stopped at a native village. The savages came running out.

After talking for a while the missionary said, "Do you mean to tell me that you haven't even had a taste of religion?"

The savages said, "No, not since the last missionary was here."

Mocky- "I'm going to shoot you."

Maggie- "Why?"

Mocky- "I've said I'm going to shoot anybody that looks like me."

Maggie- "Do I look like you?"

Mocky- "You do."

Maggie- "Shoot."

Mother- "What does a nice boy do when he sees an old lady standing in a streetcar."

Freddie- "Pretends he is asleep."

A little boy was watching the students in the schoolroom.

"Father, who is that man?" he asked, pointing to the professor.

"That, my son, is the professor."

"Does he pray for the students?" he asked.

"No, when he goes in he looks at the students and then prays for himself."

Miss Aitken- "What is a problem that is being discussed and debated."

Zoella Smith- "Long skirts."

Mr. and Mrs. Seaman and Mr. and Mrs. Frank Brown attended an irrigation congress at Ontario, Oregon. They left Sunday morning September 15, and returned Saturday September 21. Mr. and Mrs. Seaman have now been in all but four of the counties of Oregon.

Miss Miller, the new high school teacher of Eagle Point, entertained as her guests, Mr. and Mrs. A. D. Lancour and Mr. Harold Lancour, of Seattle, Washington, on Saturday, Sunday and Monday.

Mr. and Mrs. Roy Burleson, Mr. and Mrs. Grover Medley, Mr. and Mrs. T. M. Castor, and Mrs. Ellison were guests at the home of Mr. and Mrs. Otto Castor, Sunday.

Eleanor Worthington, who has been working in the fruit returned to school on Monday to resume her work.

Freda Chambers, a junior in the Eagle Point High School spent the week end at her home, northeast of Medford.

Mr. and Mrs. C. L. Jones of Seattle, Washington, were week end guests at the Floyd Pearce home. They were enroute to Pomona, California, where they have purchased an orange grove.

The pupils and teachers of the Eagle Point Schools extend their sincerest sympathies to Mr. Merrit Brown in his present bereavement. Mrs. Brown was chairman of the school board last year. She has taken an active interest in school and educational activities, and before her marriage taught school in Eagle Point.
